To Whom It May Concern:

I've known Neil Mammen for 20 years and he is a gifted and special communicator. Neil is both dynamic and exciting to listen to. He is able to captivate an audience of any age from Jr. High to adults! Neil has a unique ability to take deep and sometimes complicated spiritual truths and communicates them in a relevant way. He speaks both to the mind and the heart.

Not only can I speak to his ability as a speaker, I can also speak of his character (and his love of gadgets). Neil lives his life with integrity and his love for God is evident. He is generous, hospitable and faithful, both in his relationships with people as well as with God.

I would easily and highly recommend Neil as a guest speaker on any number of topics, especially those relating to the defense of the Christian faith. If you have any questions, please feel free to contact me anytime.

Until He Comes!
